Re: *Hexcel Corporation*
Lodi Borough, Bergen County
ISRA Case #86009

Dear Mr. *Joe* Nowak and Ms. *Beverly* Phillips:

Thank you for taking the time to meet with us on Friday, April 4, 1997. Thanks to your efforts, it was a very productive meeting. We appreciate NJDEP's decision to review Hexcel's remedial activities at our site from a regional perspective in light of the Borough of Lodi's redevelopment plans and remedial activities being conducted by Napp. We understand the NJDEP will be reviewing Napp's sampling results report. We look forward to reviewing a copy of that report as it will help Hexcel determine the scope and timing of its remedial efforts.

Joe, as a follow up to your discussion with my associate, Steve Willis, on Friday, April 11, 1997, we respectfully request an extension of time to submit the Remedial Action Schedule regarding the soil investigation. We plan to incorporate the Schedule into the next Progress Report which is due on April 30, 1997. Unless we hear otherwise from you, we will assume that is acceptable to the NJDEP.
